Pioneer Health: 9842 2822

Pelvic Pain Clinic

Pioneer Health Albany is one of 20 practices Australia wide that have been selected by the Australian Government to run an Endometriosis and Pelvic Pain Clinic. We are extremely proud to be able to offer this important service to people living with these complex and debilitating conditions.

There is no out-of-pocket cost for any patient for an initial appointment with our Patient Support Officer. All patients who are students (including tertiary) or have a concession card will have no out-of-pocket costs for GP appointments in the clinic. Any appointments with our Pelvic Health Physiotherapist will incur out-of-pocket fees.

Book at reception, by calling 9842 2822 or online via our website.

CONSULTATION IS BY APPOINTMENT

Patients are welcome to see the doctor of their choice and every effort will be made to provide you with your preferred time. However, if your doctor is unavailable, you will be offered an appointment with another doctor within the practice.

LONG APPOINTMENTS

If you have multiple concerns or a complex health issue please book a long appointment with reception. Booking a longer appointment assures your doctor runs on time.

UNATTENDED APPOINTMENTS

There may be a charge to the patient for unattended appointments without notice. You will be informed in writing and made aware if a charge is incurred.

FEES

We are a Private Billing practice and do not routinely bulk bill. Payment is required at the end of each consult. A Medicare rebate is issued immediately with full payment. We accept cash, cheque, EFTPOS or credit card. Any additional charges to your treatment will be explained by your doctor.

PATIENT REMINDER SYSTEM

Pioneer Health advocates preventative health and may recall you for routine screens and tests. If you do not want to be part of this system please inform reception. If any tests or investigations are abnormal we are obliged to contact you for recall purposes.

REPEAT PRESCRIPTIONS

Where possible, scripts and letters should be requested during a consultation. You may make a short script-only appointment which is bulk billed. Alternatively, you can request these online at www.pioneerhealth.com.au Please allow 3-5 working days and you will be contacted when your request is complete.

REFERRALS

Where possible, referral letters should be requested during a consultation. Standard consultation fees will apply.

Physiotherapist

Katie Stan-Bishop specialises in the management of bladder and bowel dysfunction in women, men and children as well as the treatment of pelvic organ prolapse, pelvic pain, antenatal and postnatal conditions, bone health and menopause.

Katie Stan-Bishop
PHYSIOTHERAPIST

Katie loves to work together with her clients to provide them with high quality, evidence based management that allows them to achieve their goals and live life to the fullest.

Results

Pioneer Health uses the following notification system:

URGENT RESULTS

we will contact you via phone call.

DISCUSS RESULTS

you will receive an SMS requesting a NON URGENT appointment.

If you do not have a mobile number we will contact you by phone or letter.

MEDICAL STUDENTS

Pioneer Health Albany is proud to be a teaching practice. This means that we regularly host Medical Students at varying stages in their learning. If you would prefer to not have a student in the consult room, please advise reception upon arrival.

FEEDBACK/COMPLAINTS

We provide patients with the opportunity to provide compliments, complaints or suggestions via email to admin@pioneerhealth.com.au. If you are not satisfied with our response to your concerns the Health and Disability Services Complaints Office provides a free impartial service ph: 1800 813 583.
