

# Practice Nurse Position

## APPLICATION INFORMATION

We are seeking a **Registered Nurse** or an **Enrolled Nurse** to join our team in a **full-time** or **part-time** position. The position will work under the direction of the Practice Nurse Manager and be supported by excellent nursing and admin team members.

### PIONEER HEALTH ALBANY:

We are a dynamic, innovative practice with a purpose to serve our patients' health care needs. We encourage nurses with a passion for caring and supporting patients in a collaborative, fun, primary care setting to apply.

Pioneer Health is a large practice and currently has 30 GPs working from within the practice. Pioneer has 16 consulting rooms, 5 treatment rooms and 2 chronic condition management rooms. These rooms are serviced by 7 nurses on roster at any given time, and an additional float nurse that provides support to GPs in room, as well as back up to the nursing team as required.

The practice is open from 8am – 8pm Monday to Thursday and 8am – 6pm on Fridays.

### INNOVATIVE PRACTICE THAT PROVIDES A DIVERSE RANGE OF SERVICES:

Our nursing team is an integral part of providing the following services at our practice:

#### Albany Skin Clinic

Our nursing team provides treatment room support to our skin clinic GPs during their dedicated lesion lists. The practice also performs UVB Phototherapy, supported by the nursing team.

#### Treatment Room Care

Our nursing team delivers a wide range of services and procedures, including but not limited to; medicals, ECGs, iron infusions, ear syringing, wound care and immunisations.

#### Transcranial Magnetic Stimulation

TMS therapy treatments are undertaken by our nursing team, under the supervision of our Clinical Lead.

#### Enhanced Primary Care

We have two rooms dedicated to nurse consultations for Management Plans and Health Assessments.

#### Respiratory Clinic

The nursing team provides clinical support to the GP Respiratory Clinic team.
